

# Exciting fashions for Windhoek

THE "Errol Arendz Spring/Summer Collection 1978" took Windhoek by storm. The event was described as the fashion show of the year, and Windhoek women were so impressed by Errol's creations that 90 per cent of the garments shown were sold within two days.

Errol is back in town...

The "Errol Arendz Spring/Summer Collection 1979" will be presented in the DHPS Aula on Monday, October 29 at 8 pm.

The organisers, Anita's Charm School and Inge's Boutique, describe Errol's new collection in one word — "breathtaking!" Jürgen and Reinhilde Ohle will be responsible for the model's exotic hairstyles, and one of Cape Town's top make-up artists will be in Windhoek specially for the occasion.

A very striking gold, diamonds, ivory and stone jewellery collection has been designed by Adrian to complement Errol's garments.

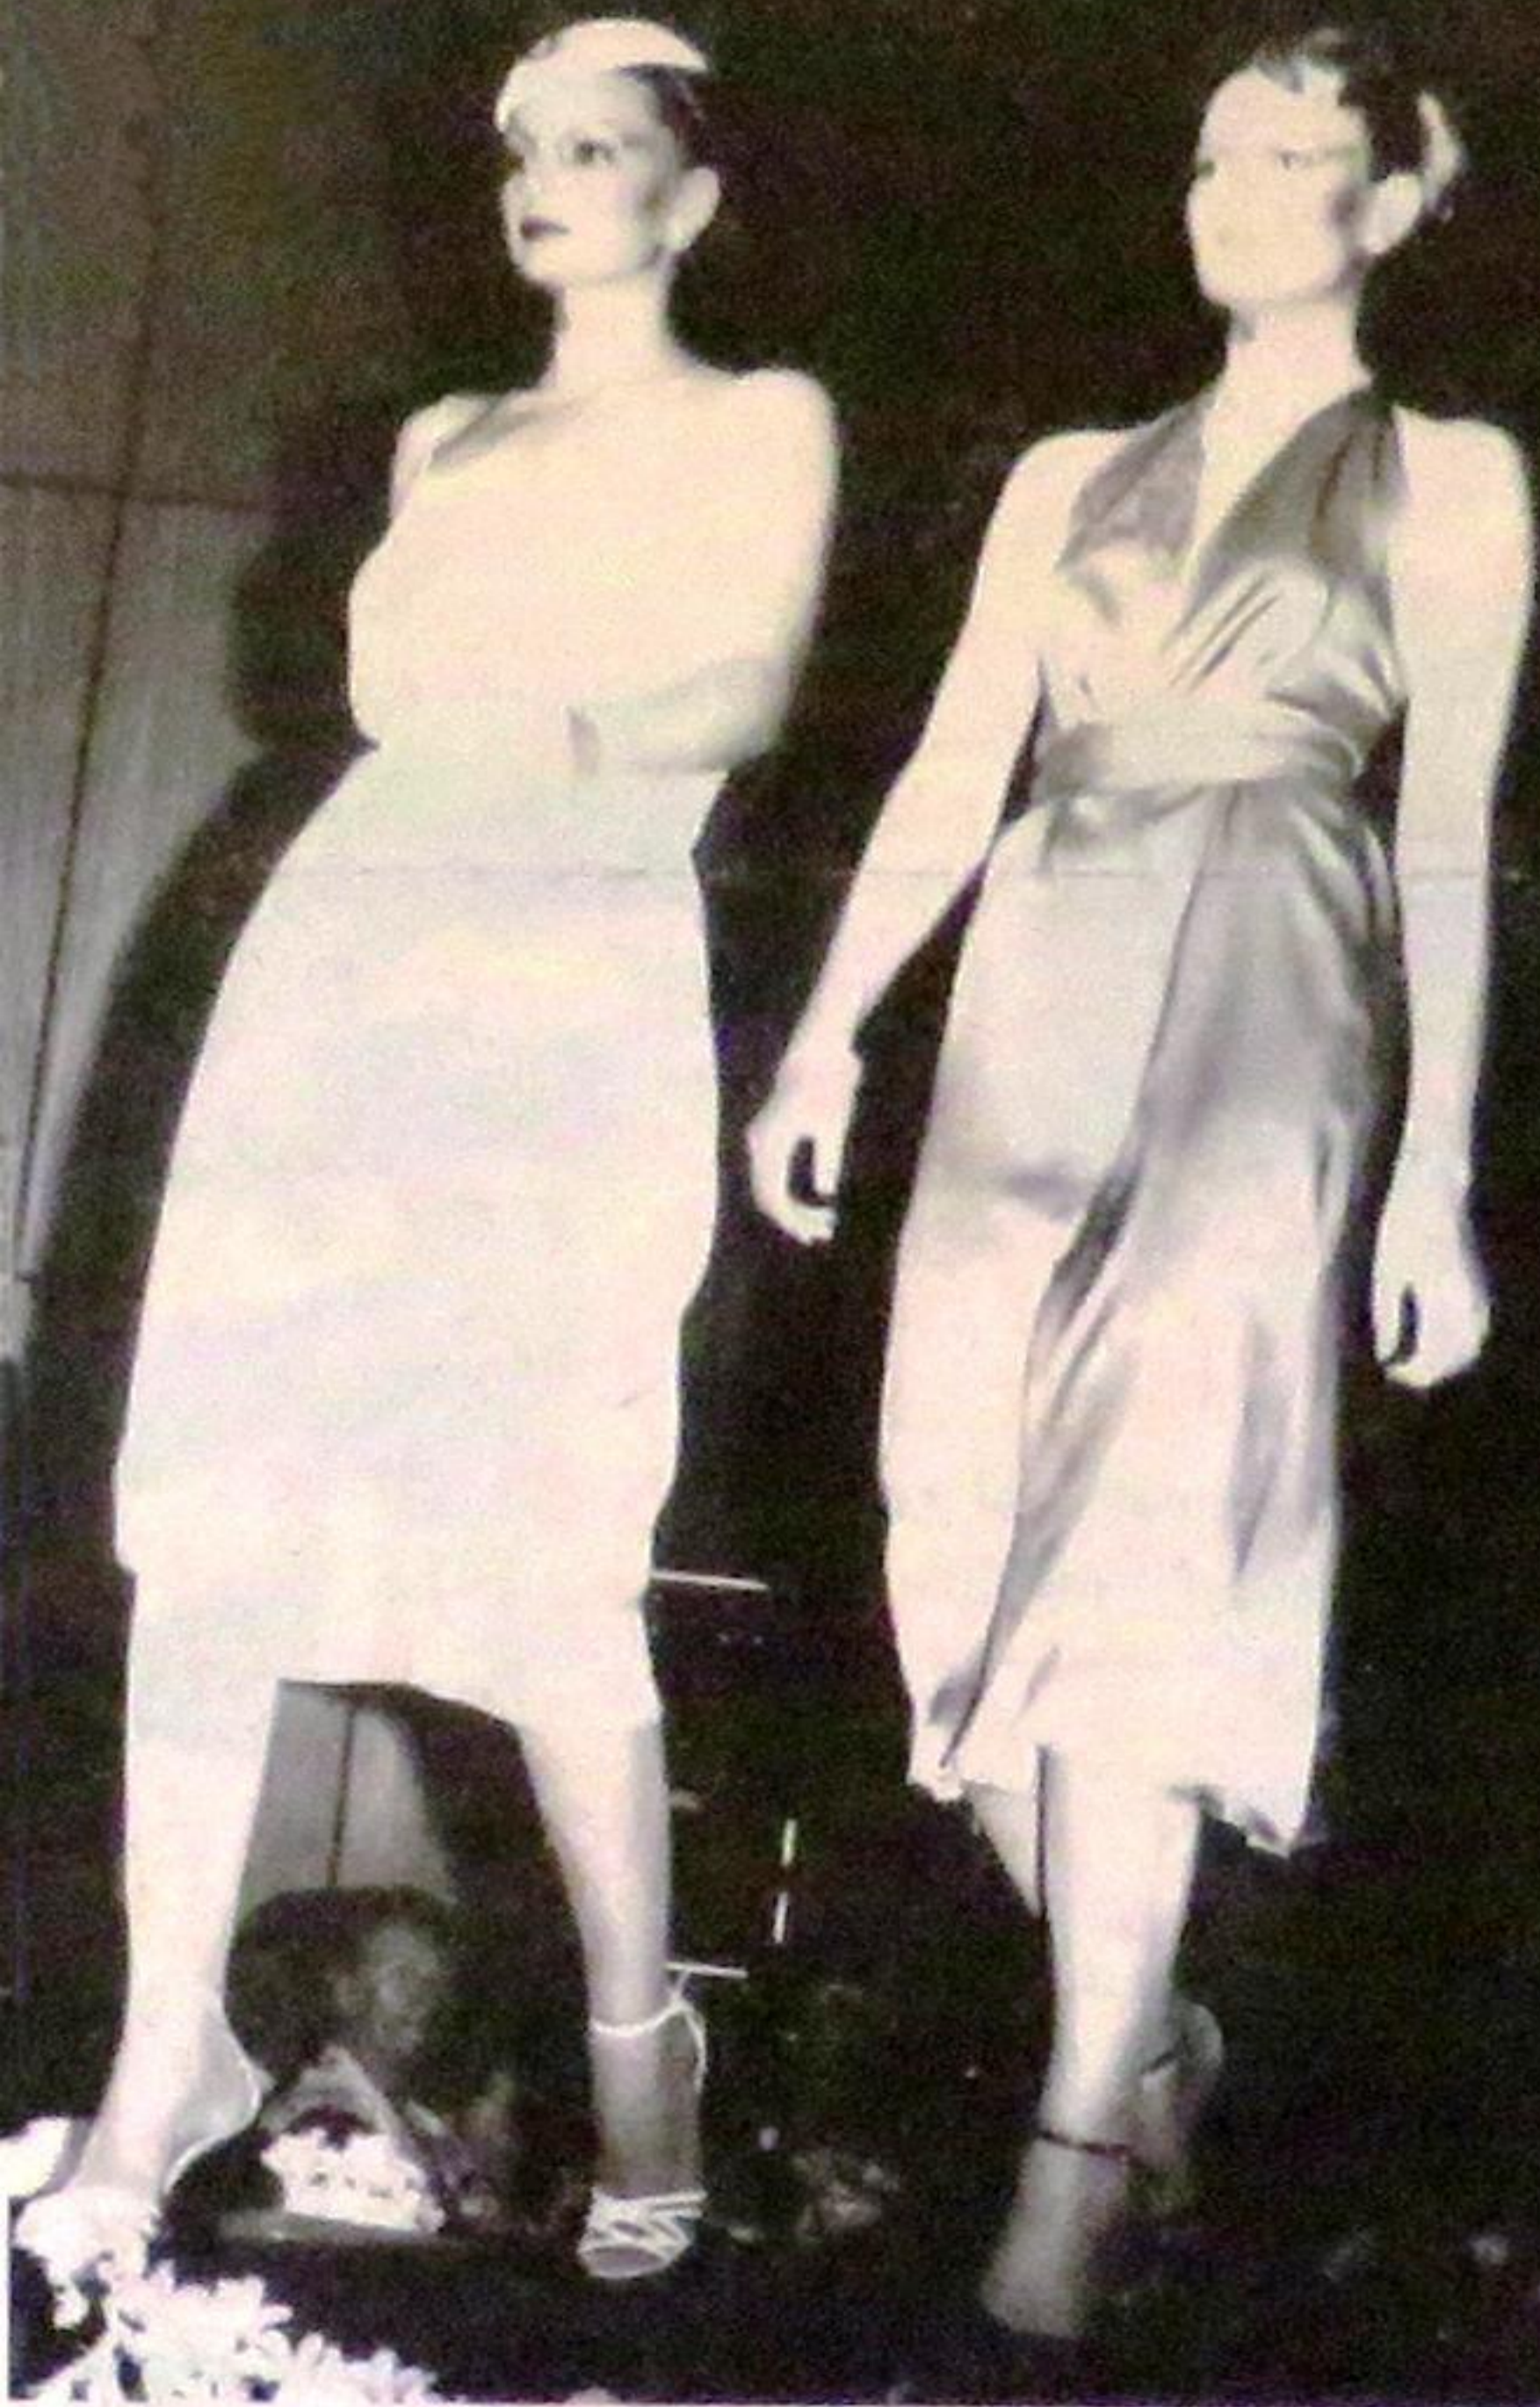

All in all the show promises to be a very exciting event and the highlight of South West's fashion calendar.
